Hi Julie,

TPs for the Minister attached and at this link for your review and approval. These have been drafted by § 22 and reviewed by § 22 and me.

A note from § 22 for context: we should remember that the scheme is the “illegal and restricted content” scheme, so not all content under the scheme is illegal. § 47C

Just to keep us on track and on message.

An aside related to briefing our government colleagues – it’s been encouraging to see messages of unity from our Minister, the Shadow Minister, the Health Minister, the Premier and (at least one) independent academic.
