To	Commissioner
Cc	General Manager, Regulatory Operations Group
From	Executive Manager, Industry Regulation and Legal Services & BOSE Team
Date	13 December 2023
Subject	Giving X Corp. an SPN for non-compliance with the BOSE notice relating to online hate
Timing	Critical Date: 14 December
Consulted	Legal Services
Recommendations	s 22
Commissioner (strike out those not applicable)	

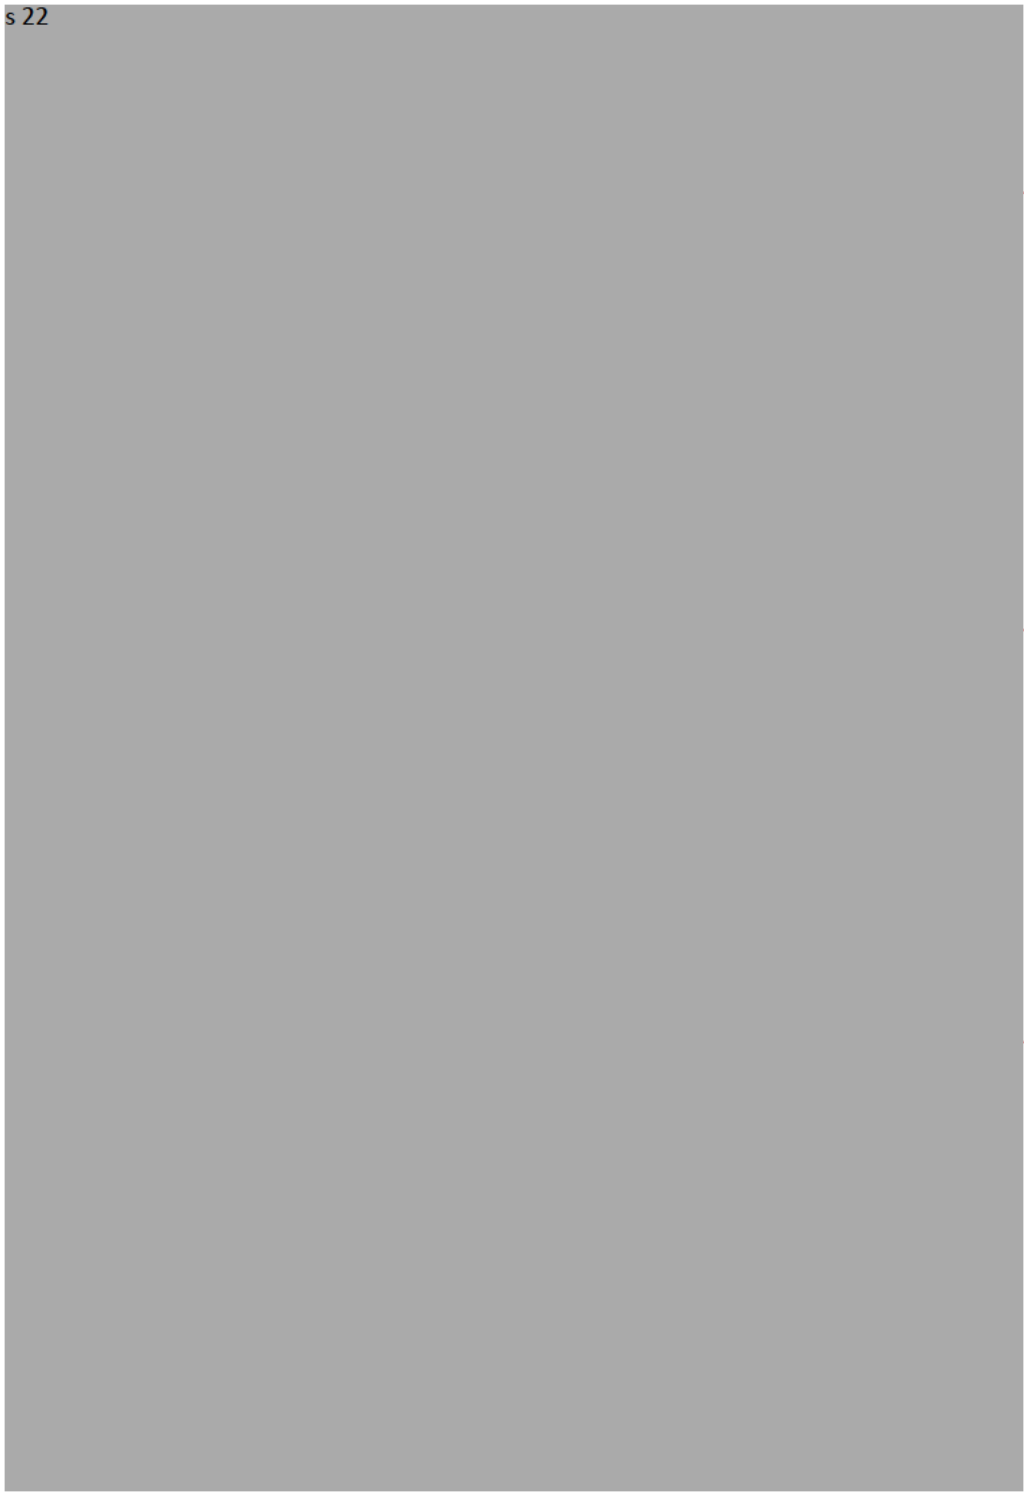

Background

7. BOSE and Legal teams met with X Corp. and its legal representatives on 23 November 2023 to discuss X Corp.'s submissions to the draft transparency summary (minutes [here](#)). During this call, X Corp. asked eSafety to provide it with sufficient time to consider its legal options in response to eSafety's enforcement decision in relation to non-compliance with the online hate notice. Specifically, X Corp is seeking time to allow it to seek an injunction restraining publication of the summary and/or the SPN. As previously discussed, as a Government regulator and model litigant, it is appropriate we provide sufficient time to enable X Corp. to take this step.
