Did you know you can report online abuse to eSafety?

eSafety can help you deal with:

- cyberbullying of children

- adult cyber abuse

- image-based abuse

- illegal and restricted online content, including child sexual abuse content.

Steps to take

① Collect evidence

Take screenshots of the harmful content, and note web addresses and usernames.

② Report

Report the harmful content to the platform or eSafety. Find out what you can report and how to get seriously harmful material removed at **esafety.gov.au/report**

③ Prevent contact

Use settings in the game or app to mute, hide or block the person or account that shared or sent the harmful content. Check your privacy settings.

④ Get help

Experiencing online abuse can be distressing. eSafety has information about support services and how to be safe online.

If you are in immediate danger call **Triple Zero (000)**.
