

Safer Internet Day

11 February 2025

Our school is proud to support **Safer Internet Day 2025**, a global day of action that brings together communities, families, schools and organisations from more than 180 countries to help create safer online spaces.

To celebrate Safer Internet Day 2025, our school will:

- nominate a school staff representative to join the **eSafety Champions Network**
- encourage school staff to participate in eSafety's **Teacher Professional Learning** and explore the **Spotlight on Cyberbullying**
- learn how to respond to critical online safety incidents by exploring the Toolkit for Schools **RESPOND** element, and knowing **what and how to report**.

Together, let's make the internet a safer, more positive place.
