

Your guide to eSafety's Safer Internet Day quiz

Hello there! Thanks for trying out our Safer Internet Day Quiz to test your online safety knowledge at your organisation. There are a few ways you can run this quiz at your organisation, during your Safer Internet Day event.

Kahoot Quiz version

How to host a Kahoot game or quiz

Does your organisation have a Kahoot account that allows multiple people to access a quiz? Great! Here's your instructions on how to **host** our Safer Internet Day Quiz.

1. Make sure you're logged into your Kahoot account.
2. On either your Kahoot app or Kahoot homepage, visit the 'Discover' section and search 'Safer Internet Day 2025 Kahoot Quiz' by eSafetyCommissioner.
3. Click on the Kahoot to open its details page.
4. Click 'Host' button and then 'Live game'.
5. Select classic mode and 'Start'.
6. Kahoot will then generate a pin that you can share with all players so they can join the game. Once all players have joined, click 'Start'.

More information about hosting a Kahoot quiz can be found [here](#).

How to join a Kahoot game or quiz

The easiest way to join a Kahoot game or quiz is via a game pin. Once the host has generated a game, they can share the pin with players to allow them to join. You can enter a pin directly into the app if you download it or on desktop.

1. Go to kahoot.it or download the Kahoot app and tap 'Join'.
2. Enter the game PIN.
3. If the player identifier is enabled by the host, provide the requested identifier.
4. If the friendly nickname generator is enabled by the host, click or tap the Spin button to choose a random nickname. If it's disabled, type a nickname of your choice.

More information about joining a Kahoot game can be found [here](#).

PowerPoint Quiz version

If your organisation does not have a Kahoot account, never fear! We have a trusted PowerPoint version that you can present instead. You'll find it in this folder.
