Hi s 22,

Hope you had a lovely weekend.

As you may be aware, the Department is looking to progress amendments to the OSA to implement a proposal to enforce a minimum age for access to social media and other relevant digital platforms.

The Department is engaging with OPC to progress the drafting of the Bill and would like to arrange a time tomorrow to discuss the legislative design of the Bill with your legal area. Our apologies for the short notice but we are urgently progressing the draft Bill with OPC and would appreciate your input.

If possible, could you please confirm your availability for tomorrow and any preferable times and we will then send a meeting invite for a time that suits.

Please let me know if you have any questions or would like to discuss.

Kind regards,

Hello everyone,

I would broadly be the same as [redacted] and [redacted].

Just confirming that the question relates to our meetings with the Department and Minister, not just the Minister? The Department's request in the email and the subject line only relate to the Minister, but the transcript says Minister and Department.

Thank you,

Hi all,

I have the following four meetings.

The approach I have taken is:

- to exclude 1:1 phone calls (for example, I know [redacted] had some individual conversations with staff on Penalties, but I would not call those meetings and we would need to search through emails to piece the trail together).
- to search of my calendar for 'social media' (If the Department requires additional search teams, we could use those; If meetings were labelled by some other name, I have not identified them).

Please let me know if another approach is preferred.

I don't think I'll be able to confidently answer that question by 2pm today – I took part in several 1-1 and group phone calls and virtual meetings with the Dept on the bill. I would have to look through call logs to try to work out phone calls. Can we approximate and let them know that we have had to do so given time constraints?

Hi s 22

We are just working on a response to an urgent QoN coming out of the Inquiry into Online Safety Amendment (Social Media Minimum Age) Bill 2024.

Could you please provide details of the following by 2pm today:

- Any meetings between the eSafety Commissioner and Minister specifically in relation to the Social Media Minimum Age Bill
 - Please include details of each meeting, the place and the participants.

We will then double check the list with the information we have and provide it to the Committee.

For Info

Discussion on meetings regarding Social Media Age Ban:

HY- Has the eSafety Commissioner been consulted on this ban?

J - Yes

HY - What is the eSafety Commissioner's view of it?

J- They have made a submission I understand.

HY - Does the eSafety Commissioner support a blunt age ban?

J - I think the eSafety Commissioner has welcomed the introduction of the age limit as a national approach to tackling this issue. That's in her submission.

HY - Did you ask her to put that in?

J - No

HY - **How many meetings has the Minister has with the eSafety Commissioner about this particular piece of legislation?**

J - The Minister meets with the eSafety Commissioner regularly, as do we.

HY - **I'd like by the end of today, how many meetings the Minister has had and the department has had with the eSafety Commissioner specifically in relation to this issue.**

J - We will take that on notice.
